

Producer / DJ

ULRICH VAN BELL

Deep, driving underground techno.
Where tension and emotion shape the night.

MONTREAL, CANADA

ULRICH VAN BELL

Ulrich Van Bell is a Montreal (Canada) producer and DJ with over 15 years of international experience.

As a headliner, he thrives in late-night environments, shaping the flow of the night with confidence and control. His ability to balance power and subtlety makes him equally compelling in high-intensity moments and extended closing journeys.

Actively producing, Ulrich continues to refine his sound with recent releases on Coldharbour Recordings and Coldharbour Black.

Over the years he has performed internationally across the United States, France, Egypt, and Canada, with recurring appearances in respected venues such as Stereo, Circus Afterhours, Red Lite, and Unity, as well as major events including Montreal Pride.

ARTISTIC APPROACH

Ulrich Van Bell's sound blends underground techno with melodic depth, delivering driving and emotional sets built for late-night dancefloors.

Known for his immersive approach, Ulrich constructs his sets through controlled progression — where energy and intensity evolve naturally over time. His performances are defined by tension, precision, and emotional impact, creating a deep connection with the crowd.

Positioned between underground techno and melodic techno, his sound resonates with audiences drawn to artists like Enrico Sangiuliano, Alex Lentini & STOMP BOXX and Victor Ruiz.
